

The Greater Regional Healthcare Foundation was established in 1993 with the mission of providing support to improve and enhance the health and well-being of the communities Greater Regional serves through the purchase of new equipment, improving patient experience, educational opportunities and other projects as determined by its board. Generous donations by families and friends through memorials or annual giving and fundraising efforts by local groups have made a significant contribution to the experience of local health care and health and wellness opportunities.

The Foundation appreciates the support of our community and generous gifts from our donors and looks forward to continuing to enhance the excellent care provided by Greater Regional Health.

Your tax-deductible contribution to Greater Regional Healthcare Foundation is a thoughtful way to express your sympathy, gratitude, or joy while supporting the mission of Greater Regional Health.
